Here are a few photos of the food selections. There were no scraps left on any of the plates. Everyone enjoyed their meal.

As you can tell from the group photo above, we had an exceptional turnout of classmates today – 23!

Danny Barfield drove to Dothan today from his home in Fairhope, Alabama, just to have lunch with us. We all enjoyed seeing Danny today. He said he had been concerned about the number of classmates we've lost in the last few years and didn't want to miss coming to a lunch and reconnecting with some of his classmates before they were all gone! Danny, thank you so much for making the effort to drive here today and have lunch with us. It meant a lot to us seeing you today! Danny has missed all of our class reunions and seemed to really enjoy re-connecting today.

Kathy Davis Granger and Martha Jo Ethridge Whitley got up at 5:00 a.m. this morning, met in Pelham, and then rode down together just to attend the lunch. It was wonderful to see both of you today. Please know how much we appreciate the effort that it took for you to join us today. Thank you both for joining us today. It meant a lot to the lunch group!

Here are the photos taken from today's lunch.

Greg Searcy "clowning" around!

I am sure while looking at the photos you noticed Jimmy Williams wearing a sling. Just so you know, he had shoulder surgery recently and is getting along well.

As you can tell from the photos, we had a nice lunch and a good time visiting with one another. Once again, I will remind everyone. If you have never been to one of

the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it.
