

DHS Monthly Lunch, January 23, 2014

The Blue Plate

This month's lunch was at The Blue Plate. We had a good turnout and yummy food. I've provided some photos of the food below so you can get an idea what it was like.

We had anticipated 15 folks for today, but as we all know too well, our plans can get changed at a moment's notice. We were particularly thrilled to have Pam Lion Smith and her husband Tony with us today. Thank you Pam and Tony for making the effort to join us for lunch! It was fabulous to see you and get to visit with you. For those of you who thought you would be with us today and could not be, we want you to know that we missed you and hope to see you soon. The same goes for those of you who just couldn't be here with us today.

Here is a photo of today's attendees.

Row 1: Carl Jones, Danny McKnight, Jimmy Williams, Pam Lion Smith and husband, Tony Smith

Row 2: Philip Atkinson, Bob Whiddon, Gayle McLeod Parsons, and Bobbie Howard Johnson

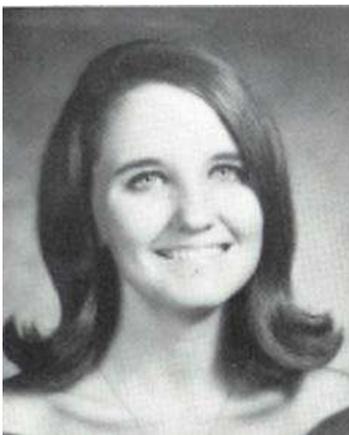

Row 3: Gary Ferguson and Debbie Dennis Breckenridge and Deborah Hart Hynes

I received an email this morning from Mary Nell Blissett Dodd who asked for the lunch group to consider going to Abbeville to eat at Huggin' Molly's. She thought it would be nice for us be able to have lunch there and then go visit Bruce Knop at the Henry County Rehab and Nursing Home, 212 Dothan Road, Abbeville, AL 36310, Room 229-A. Please keep Bruce in your thoughts and prayers and remember that he would love to get any cards and/or notes that you might have time to mail to him.

God works in mysteriously, wonderful ways. Bruce's brother, Robert, was eating at Blue Plate today and came over to our table to visit. We ran the idea passed him to see what he thought. He thought it was an excellent idea and said that Bruce would really like to see his classmates and friends. He also said that we should keep the visit short (5 minutes or so) because Bruce has his own daily routine and tends to stick to it. So, for as many of us who

can do this on our next DHS Lunch which will be on February 27, 2014, this is what we will do. Perhaps we can meet somewhere and carpool up there so we will not have so many vehicles. I think this would be a kind and lovely thing to do for our fellow classmate, Bruce.

Also, while having lunch today, Gayle phoned Joy Hutto Montague so that Pam Lion Smith could speak with her. They were very close friends in school. I was able to talk with Joy for a few minutes as well. It was really good to hear her voice. I called her "honey" while we were talking and she laughed said it was sure felt good for someone to call her "honey" because where she lives in Tennessee, no one every uses that endearment!

Following are the photos from today's lunch.

And to end on a goofy note.....

As you can tell from the photos, we had a nice lunch and a good time visiting with one another. Once again, I will remind everyone. If you have never been to one of the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it. This document will be posted to our website <http://www.dothanhigh1970.com> in the Photo Albums section. Please visit the website from time to time and check out the message board for information about what is going on with fellow classmates. Please remember to keep your classmate profile up to date with your current address, phone and email information. If you are not getting the lunch notifications or the photos delivered to your email and would like to receive them, please contact me at ddb@lgbconsulting.com.
