

## The DHS70 Monthly Lunch September 29, 2011

This month's lunch was held at The Butcher's Block. Some of you may not realize that they serve lunch. They have a Daily Menu which I will include at the end of this document. They also have Thursday & Friday daily specials. **Today's Lunch Special was:** Big Daddy Brisket: Smoked Beef Brisket, Pimento Cheese, Bacon, Tomatoes, Pickles on a Hoagie Roll for only \$7.99. If you haven't tried this you don't know what you're missing! Debbie Metcalf had it and said it was delicious!

We had Debbie Ellison Metcalf

and Jerry Smith join us for the first time. They both seemed to enjoy themselves very much and said they would be returning on a regular basis. Thank you both for coming! We enjoyed having you with us today. We look forward to seeing you next month.

We failed to get a group photo, space was limited! You should recognize everyone in the photos. If you've been looking at the lunch photos I send out each month, you'll know the people in the photos.

As you can tell by the photos, a good time was had by all!

Once again, I will remind everyone. If you have never been to one of the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it. This document will be posted to our website <http://dothanhigh1970.com> in the Photo Albums section. Please visit the website from time to time and check out the message board for information about what is going on with fellow classmates. Also remember to keep you classmate profile up to date with your current address, phone and email information. Also, if you are not getting the lunch notifications or the photos delivered to your email & would like to receive them, please contact me at [ddbreckenridge@graceba.net](mailto:ddbreckenridge@graceba.net).

I hope you enjoyed the photos. Take care, be safe and you'll get another lunch summary next month.

Below you will find the menu for The Butchers Block.
