

Our DHS Monthly Lunch on March 28, 2012 was held at Pizza Hut on the south side where Greg Searcy's wife, Linda, is the manager.

We had a wonderful time visiting with each other and consuming some delicious food. Below are the attendees for the today's lunch.

Debbie Fleming Jones, Abbey and Larry Jones Bob Whiddon Carl Jones Danny Sharp

Gary Ferguson Debbie Dennis Breckenridge, Greg Searcy Gayle McLeod Parsons Roger Faulk

We were delighted to have Debbie and Larry's granddaughter, Abbey with us today. It was very nice to have young blood in the group to delight us with her lovey "baby" doll. We enjoyed her so much and hope she enjoyed being with all us "old" folks"! Thanks for joining us Abbey. Come back anytime. You were great fun.

Also joining us was classmate Roger Faulk. We were very happy to finally have him with us. We've been trying to Roger to come to lunch for a long time and we were so glad that he finally made it. Thanks to Carl Jones for encouraging him to come and be with us today.

Following are the photos from today's DHS Lunch.

As you can tell from the photos, we had a nice lunch and a good time visiting with one another. Once again, I will remind everyone. If you have never been to one of the lunches, you should try and come sometime. We always have a good time, good food, warm, loving fellowship with each other and last but not least, *lots of laughs!* Try it sometime, you may just like it. This document will be posted to our website <http://www.dothanhigh1970.com> in the Photo Albums section. Please visit the website from time to time and check out the message board for information about what is going on with fellow classmates. Please remember to keep your classmate profile up to date with your current address, phone and email information. If you are not getting the lunch notifications or the photos delivered to your email and would like to receive them, please contact me at ddb@lgbconsulting.com.

Just checking to see if you read to the very bottom of this! I accidentally left this photo out of the photo groupings above.
